

## SeptiTech, Inc. Warranty Agreement

### **Period of Coverage**

SeptiTech, Inc. unconditionally warrants each treatment unit sold to be free from defects in material, workmanship and performance for a period of two years from date of delivery or for the duration of any extended service agreement.

### **Obligation of SeptiTech**

SeptiTech, Inc., at their sole expense, will service and repair the installed unit including all parts and labor that show evidence of defect or unacceptable performance for any reason when operated within design parameters, provided that all financial obligations of the owner/purchaser are in compliance with the Purchase/Sale Contract.

SeptiTech, Inc. will perform standard operation and maintenance inspections to your SeptiTech treatment system annually during the warranty period.

### **Exclusions**

This Warranty does not apply to SeptiTech units that have been tampered with or otherwise altered by unauthorized persons, improperly installed (if not installed by SeptiTech or one of its approved contractors), subject to external physical damage, operated beyond its maximum design capacity or operated on a system where disinfection tablets, pipe cleaner additives (such as "Draino"), excessive use of bleach or other chemicals injurious to biological growth are used, and systems not inspected and started up by SeptiTech, or an authorized representative.

### **Other Provisions**

Under no circumstances will SeptiTech, Inc. be liable for direct or consequential damages including but not limited to lost profits, lost income, labor charges, delays in production or idle production time or habitability which results from any defects in material and/or workmanship of SeptiTech, Inc.'s systems or units. This warranty is expressly in lieu of any other expressed or implied warranty.

This warranty provides the owner/purchaser specific legal rights. You may have other rights, which vary from state to state.
